

E-mail addresses: Thank you to all owners and residents that have responded to our request for current contact information. If you have forgotten to do so, please send that information to kim@gwpm.com as soon as possible.

SAVE THE DATE!

TUESDAY, SEPTEMBER 9

6:30 PM

In the Clubhouse

HOA Board Election

Introduction of your New Board

MEET YOUR NEW NEIGHBORS!

Social Time for all residents!

Sign up for a Committee!

WATER ISSUES AND IRRIGATION: All of California is suffering from drought and we have been asked to cut back on water usage. Your Landscape Committee has recommended irrigating on Monday, Wednesday and Saturday along with cutting one minute from each timed watering. Glenwood is already at 70% of budget for water this fiscal year, so we must cut back or risk another special assessment in January like last year. If you see a broken sprinkler or water running down the street, please contact kim@gwpm.com.

A Glenwood Welcome: we have a new neighbor at 846 Glenwood Circle. John Smith is currently renovating his new home. Stop by and welcome him.

Condolences to Margaret Donnelly (809 Glenwood Terrace) and family on the passing of Kevin, beloved husband, father and grandfather.

Dog owners: Please be considerate of other residents and use the Dog Walk along the east side of the property when taking your doggie

out for their “business”. The gardeners have noticed yellow spots in some grass areas caused by dog urine. Thank You!

MANY THANKS to Bev and Jim Bagley for 23 years of service to Glenwood. . . .Bev is retiring from Security/ Parking Chairman and Jim is retiring as Pump Room and Paint Manager. The entire community appreciates the steady faithfulness of their commitment to Glenwood. Best Wishes to both as they relax from many years of serving us!

Fence Replacement letters will be mailed soon to some Glenwood Owners. If your fence is full of holes, sagging and/or patched, expect a notification to replace your fence. Letters will contain pertinent details. This is a project that must be done to maintain Glenwood’s attractive landscape and keep property values going up.

MESSAGE FROM JUDY FLOWERS, PRESIDENT

Please remember to vote. Read the instructions that came with your ballot so your vote will count.

I hope to see everyone this year at our Annual Meeting in September. Mark your calendar and save the date. Meet up with old friends and meet new neighbors.

My sincere thanks to all those that have served Glenwood- to all those now serving Glenwood and to all those who WILL serve Glenwood this coming year. We need volunteers to keep our community running smoothly.
