

Pointe Surfside

JUNE 2010

The Next Board of Directors Meeting will be :
June 15th, 2010 in the Clubhouse
Homeowners are welcome to sit in on the
business session of the meeting.
Homeowners Forum 7:00 to 7:15PM

For those of you driving "oversize trucks", We need you to use pull in parking, rather than parallel parking. Our landscaping and pagoda lights are being "Mowed down", "Done In". "laid to rest". This is costing the homeowners a great deal of money for repairs or replacement.

Rear Endage

If you love your car, you must pull into your space completely. If you "HATE" the back of your car and would like to have it remodeled or re-arranged, Please continue to park with your "Trunk age" hanging into the parking lot.

Dog Gone It

We are forced to send out violation letters. This in an attempt to enforce rules that date back to 1981 when Pointe Surfside was in its infancy. We do not want to beat our homeowners or renters into "Submission", However, we have ongoing problems with our pets.

No one wants to hear a dog barking throughout the day and night, or early in the morning. Personally, I prefer to be awakened by my alarm clock set to K-Wave. Dogs bark for a reason! No food...No water...No love...etc. If you are a pet owner unable to properly care for your animals, ask a neighbor to HELP you. Most dedicated pet owners would be happy to assist you. Any animal causing homeowners distress, can and will be removed Per our association attorney. We do not want this to happen! Please visit your local pet store or vet for a solution to the out of control barking problem.

The Board of Directors:

Janet Cabourne, President
Judy Hicks, Vice President
Jenise Van Andel, Secretary
Patty Enna, Treasurer
Michael Carralero, Member at large

Roses Are Red Violets Blue...
I love flowers, Don't You?

Long over due thanks for the landscaping around the pool. The previous board, Mary Whaley, Janet Cabourne, and Janice Van Andle were solely responsible for the new landscaping. The pool area has never looked so lovely.

Woof Woof

Sorry dear neighbors, recently a renter accompanied by a homeowner escorted "Fido" into a lovely party held in our clubhouse. Please remember, dogs and cats are not allowed in the clubhouse or pool area at any time.

Fried Green Tomatoes

Recently, we received a brand new barbeque grill. Janet Cabourne used her resources and discount to purchase said grill saving us all a lot of money. For those of you who like to "cook out", the new barbeque is much appreciated. Thanks Janet
