

Venturanza's pool is heated seasonally from Memorial Day through Labor Day, but that may be extended into mid-Fall when warm weather persists. The spa is heated and open for use year-round. Pool and spa hours are 7 AM to 10 PM Sunday through Thursday, and 7 AM to 11 PM Fridays and Saturdays.

Here are a few tips and reminders to ensure all residents of Venturanza del Verde get to enjoy them.

- 1) Be safe. Do not leave young children alone in the pool/spa area; there are no lifeguards on duty. We allow absolutely no alcohol, glass objects, or pets inside the pool gates.
- 2) Be courteous and considerate. Residents cannot reserve the pool area for private parties. The pool hours wrap up at a reasonable bedtime to allow the residents of the surrounding units a good night's sleep. Please don't overstay in the evening or you may be subject to fine or other actions. Be considerate and keep the noise down, especially in the evenings when other residents may be in bed already.
- 3) The poolside furniture should be treated with care. Please do not drag the furniture around so you don't damage the decking, which is expensive to repair.
- 4) Please don't tinker with the gate locks or climb over the fence.

If you encounter any issues with the pool or spa, please *do not* open the maintenance closet or attempt a repair yourself. Call Golden West Property Management at 714-220-5920 or submit a maintenance request online at <http://gwpm.com/GWPMrequestform.htm>.
