VENTURANZA DEL VERDE COMMUNITY ASSOCIATION ENFORCEMENT PROCEDURE

1. Discovery of Violation

A. Any Violation that is a violation of the Governing Documents or Rules and Regulations of the Association will be processed according to the procedures outlined herein.

B. In the event one or more Members of the Association or Board of Directors file a written Violation Report the Board would act as follows:

1. Send a letter to the Owner stating the alleged violation and date by which Owner must cure said violation.
2. Upon expiration of the cure date, if the alleged violation still exists, a second letter will be sent to Owner stating that the failure to abide by Association's Rules and Regulations and its other Governing Documents has imposed a hardship on the Association and the Owner will be asked to attend a hearing with the Board of Directors.
3. The Owner will be notified in writing as to the decision rendered by the Board of Directors as a result of the hearing within 15 days of the hearing. If the Owner is found to be in violation of the Association's Governing Documents the Board will either a) seek remedy by use of the legal system, b) apply monetary fines to the Owner's assessment billing, c) choose to correct (or cause to be corrected) the violation and assess the owner for reimbursement of costs, d) suspend voting privileges or rights to use any recreation facilities, e) record a notice of non-compliance encumbering the Unit if allowed by State Statute or f) a combination thereof.

VENTURANZA DEL VERDE COMMUNITY ASSOCIATION

FINE SCHEDULE

1. In the incidence of violations of CC&Rs, By-laws, or Rules and Regulations, a letter will be sent to the homeowner ("Owner") stating the alleged violation and requesting immediate correction. Owner shall be responsible to advise tenant, if applicable, of any violation for which tenant is responsible and the required corrective action.
2. In those cases when the violation is not corrected and/or is of a repetitive or on-going nature, a second letter will be sent to the Owner stating that the alleged violation is continuing and requesting that the Owner make a mandatory appearance before the Board of Directors ("Board") for a hearing.
3. If the result of the hearing is a monetary fine, an amount of \$50 will be added to the Owner's account. Fines will double every month until the on-going violation is corrected (e.g., \$100.00 for the second month the violation continues, \$200.00 for the third month, etc.) and/or will double for successive violations even if those violations are separated by more than a month. When an Owner is called before the Board for a mandatory appearance for a hearing and fails to appear, a fine may be assessed if a hearing occurred without the Owner at the sole discretion of the Board. The Board reserves the right to take action other than and in addition to fining and to forward the matter to its legal counsel for subsequent or alternative legal action. Any fines not paid may result in legal action in accordance with California law.
4. The Board may determine to use the legal system or cause correction of the violation to effect a cure, i.e. to control and correct behavior or otherwise the Owner shall be responsible for legal fees and/or reimbursement of costs to the Association (e.g., should a violation occur which imposes a financial obligation to the association, the party responsible for such violation shall reimburse, by way of a Special Assessment, the Association for this financial obligation. For example, if a party damages common property such as a fence, tree, etc., appropriate costs for repair and replacement shall be charged to that party after notice to the Owner, and opportunity to be heard before the Board of Directors).
